THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Officers

27 October 1981

NOTE FOR: Mr. Rowen  
- Mr. Lehman

SUBJECT : Some Thoughts on Future Interagency  
Production in EA

In recent weeks I have polled the Intelligence Community to determine what Interagency papers they expect to need over the next six months or so. These discussions also present an opportunity to learn their reactions to some of my suggestions for papers. At State I talked with John Holdridge and several Deputy Assistant Secretaries, including those in INR who work on EA. Jim Lilley and Don Gregg at the NSC have offered their views and levied some requests. At Defense I polled Deputy Assistant Secretary Armitage and DIO [redacted] At Treasury Collins, Long and Cantor (Bureau of East-West Trade) have made contributions. I expect to call on Commerce next week. Attached is a tentative list of proposed topics by country. NFAC at the level of Office Director of OEAA has coordinated on all that follows.
